

Welcome to

Jazz Melody THAI B.B.Q.

We would like to take a moment to introduce you to the most authentic Thai cuisine in Bellflower. Thai food has become a culinary art highly praised by the world's gourmets. It is a cuisine which owes much influence to the Indian and Chinese cultures and uses fresh herbs and spices including garlic, coriander, lemon grass, mint and chilies.

Thai dishes must be predominantly hot but should reach a perfect harmony in taste and aroma. A meal consists of at least three dishes with rice served all at the same time. As there is no particular sequence in eating, each dish can be tasted at will

At *Jazz-Melody Thai B.B.Q.*, we take great care in preparing cuisine from recipes handed down for centuries, adjusted to today's tastes and served in an authentic manner. For those in search of true Thai cuisine, we invite you to experience the aroma and flavors of *Jazz-Melody Thai B.B.Q.*

Sincerely Yours,

Jazz-Melody Thai B.B.Q.'s owners and staff
